"I was assigned as a sergeant of investigations with no prior investigations experience. This course helped give me good direction moving forward to develop my team. (The strongest features of this seminar were) the examples provided and group discussion."

"Instructor was very knowledgeable. and brought a lot of experiences into his teachings which made the class more enjoyable and easier to understand. Looking forward to applying the knowledge I've acquired throughout the rest of my career."

"Very knowledgeable and his experience speaks for itself. Keeps everyone engaged and the information interesting. I will definitely be taking back many of the things we spoke about back to my agency."
